

Grand Reserve Carmenerere 2017 is awarded with Gold Medal at the 2019 Catad'Or Wine Awards 2019 challenge

We are very happy to share with you this great news that invites us to continue working to present to the world what the Valley of Maule and Carmenerere gives us, a variety to which we have been committed for more than 25 years.

In its 24th edition, Catad'Or Wine Awards is the international wine competition of greatest relevance in Latin America. This year, more than 660 labels representing 150 producers from 15 countries were submitted before an international jury from Chile, France, Canada, the United Kingdom, Brazil, Japan, China, Belgium and the United States.

'The wine comes from our La Higuera Vineyard close to the Andes Mountains. It stands out for its ripe black fruits, spicy notes, freshness and complexity. It feels concentrated on the palate, with soft and round tannins and a balanced acidity'

Marcelo García, Winemaker
