

TERRANOBLE CERTIFIES ITS WINES 'SUITABLE FOR VEGANS'

Aware of the significant growth experienced by the consumption of vegan products, at TerraNoble we wanted to provide complete certainty to our consumers who have opted for these type of foods, that our wines meet their requirements.

The V-Label is an internationally recognized, registered symbol for labelling vegan and vegetarian products and services managed by V-Label GmbH in Switzerland. The aim of this seal is having a standardized criteria to certify vegan and vegetarian products.

For more information visit <https://www.v-label.eu/en/the-v-label>

Very soon our labels will carry this distinctive seal.
