

NEW OUTSTANDING AWARDS FOR OUR GRAN RESERVA CARMENERE 2018

We are pleased to share with you the excellent recognitions that our **2018 Gran Reserva Carmenera** has continued to receive internationally. The latest from Tim Atkin MW (timatkin.com) and James Suckling (jamesuckling.com).

In the words of Marcelo García, TerraNoble Winemaker; 'This wine offers a great fruit intensity on the nose, with predominant crisp black and red fruits, soft notes of spices and fresh mint. It feels long, juicy and creamy on the palate, with round tannins and a great body. It stands out for its freshness and pleasant acidity that adds persistence to its ending'.
