

GRAN RESERVA CABERNET SAUVIGNON 2018, A HIGHLIGHTED TERROIR WINE

Our Gran Reserva wines are made from selected plots that faithfully express the terroir of our vineyards. Wines with intense aromas and complexity.

We highlight the **Gran Reserva Cabernet Sauvignon 2018**, a wine crafted with grapes from our vineyard in Los Lingues near the Andes Mountains and Marchigue, closer to the coast of the Pacific Ocean, both in the Colchagua Valley.

Intense and elegant on the nose, with predominant aromas of fresh and juicy red berry-fruits and cherries, the wine is fresh and refreshing with elegant tannins. A true Cabernet Sauvignon.
