TERRANOBLE'S LAS DICHAS PINOT NOIR 2019 SELECTED AS THE BEST CHILEAN PINOT NOIR OF ITS VINTAGE

Decanter, one of the most recognized wine magazines of the United Kingdom, recently carried out a tasting of Pinot Noir from Chile in which our Pinot Noir Las Dichas 2019 vintage, with 95 points, was selected as the best among 56 wines tasted.

The grapes of this Pinot Noir come from our vineyard located in the Las Dichas sector of the Casablanca Valley, one of the coolest areas of the valley, which receives both the influence of the Pacific Ocean and the Coastal Coast. The resulting wines are of great character and marked typicity, vibrant acidity and expressions of freshness and fruit.

ORIGIN · NOBLE · DETAIL

Very fruity, fresh, and mineral wine with notes of red fruits, sour cherry, and strawberry. It shows all the typicality of Pinot Noir with many aromatic layers and textures on the palate.
