

## TERRANOBLE'S DISIDENTE WINES CELEBRATE THEIR FIRST YEAR WITH IMPORTANT RECOGNITIONS

One year after the launch of TerraNoble's Disidente wines, they have captured the attention of journalists, critics, and consumers internationally. We invite you to explore this line of unique wines. Disidente seeks to capture the essence of our noble soils to craft unique and different wines. In each of our Disidente wines we want to move away from the traditional varieties, blends, and winemaking. We privilege the place, the varieties that make up each blend and the time of harvest, seeking to surprise.
