

## TERRANOBLE **CA1 ANDES 2017** SELECTED AS 'CARMENERE WINE OF THE YEAR' BY TIM ATKIN MW

In his **CHILE 2020 REPORT** Master of Wine and internationally recognized wine critic Tim Atkin, selected our CA1 Andes 2017 as 'Carmener Wine of the Year'.

In his words: 'CA1 comes from Los Lingues, a terroir that seems to get the best out of Carmener, expressing things in the grape that you encounter in very few other places in Chile. This is fine, subtle and supple with stylish oak integration, detailed tannins and notes of mint, cut grass and red berry and blackcherry fruit. A step up on the impressive 2016. 2021-27'.

There have never been so many talented producers, so many wine regions, some of them yet to produce their first grapes, so much excellence, showcased by the superlative 2018 vintage.
