TERRANOBLE LAUNCHES INITIATIVE IN SUPPORT OF RESTAURANTS IN CHILE

At a time when restaurants are closed and going through difficult times due to the Coronavirus pandemic, we launched our 'SUPPORT A RESTAURANT' program in Chile.

Aimed at selected restaurants that operate with delivery, the program consists in including one bottle of our Gran Reserva Carmenere when consumers place and order over a certain amount during specific weekends.

We sincerely wish that our Horeca friends can be back again soon!
