

Our noble land is recognized with a Gold Medal in The Global Masters Cabernet Sauvignon 2019

The Global Masters Cabernet Sauvignon competition is organized by the Drink Business magazine of the United Kingdom. The wines of the most diverse origins are tasted blind by a panel of judges made up of Masters of Wine, Master Sommeliers and senior wine buyers from important specialized chains.

‘This recognition invites us to continue exploring our land, interpreting its potential in flavors and aromas, allowing the grapes to show their full potential’

Marcelo Garcia, Winemaker
